Application of Chapter

9. This Chapter imposes requirements as to the use of a Schedule 2 form for specified documents delivered to the registrar under the 2006 Act.

Schedule 2 forms

10. (1) Subject to rule 12(2)(b), the Schedule 2 forms are to be used for documents delivered to the registrar under the legislative provisions which are referred to on those forms.
(2) For some legislative provisions there is more than one Schedule 2 form. The top of a Schedule 2 form refers to the circumstances in which it is to be used.

Welsh language forms

11. (1) Each form in Part 2 of Schedule 2 is partly in Welsh and partly in English and can be used instead of a form in Part 1 of Schedule 2 where the form relates to a Welsh company.

(2) In this rule-

“Welsh company” has the meaning given to it in section 88 of the 2006 Act.

Continuation forms

12. (1) Some of the Schedule 2 forms are continuation forms for other Schedule 2 forms. The top of a continuation form refers to “continuation page”.

(2) When in the circumstances indicated on a Schedule 2 form the information to be inserted in that Schedule 2 form is to be continued, the information to be continued is to be inserted either-

(a) on the appropriate continuation form (and where there is more than one continuation form for a particular Schedule 2 form the type of information to be continued determines which continuation form is to be used); or

(b) subject to rule 12(3), on a document whose text is in black typescript or handwritten in black ink and on paper that complies with the following requirements-

Size	A4
Colour	White
Orientation	Portrait (shorter edge across the top)”

(3) Rule 12(2)(b) does not apply where the information to be continued includes the usual residential address or date of birth of a director or registrable person or where rule 15A applies. The appropriate continuation form must be used for that information.

Reproduction of a Schedule 2 form

13 (1) Subject to rule 15 and 15A, a document for which a Schedule 2 form must be used must be reproduced as set out in Schedule 2 as to its text, layout and format and must be in black ink.

(2) Subject to rule 15 and 15A, a Schedule 2 form must be on paper that complies with the following requirements-

Size	A4
Colour	White
Orientation	Portrait (Shorter edge across the top)

(2) A Schedule 2 form to which this rule applies must contain the barcode indicated on that form in Schedule 2.

(3) A person reproducing that form for delivery to the registrar can obtain an image of the barcode from the registrar.

(4) The barcode must be included in the Schedule 2 form in the format supplied by the registrar including it being in black ink, 13.5 mm high and 70.5 mm wide.

Purple coloured forms to be obtained from the registrar

15A.(1) This rule applies to a document if –

- (a) it is a document for which a form is provided in Part 4 of Schedule 2, and
- (b) at the time of delivery to the registrar, one or both of the following apply:
